1 appointed after July 5, 1972, and before July 1, 1993, may not enforce
 2 the laws or ordinances of the state or any political subdivision unless
 3 the officer has, within one (1) year from the date of appointment,
 4 successfully completed the minimum basic training requirements
 5 established under this chapter by the board. If a person fails to
 6 successfully complete the basic training requirements within one (1)
 7 year from the date of employment, the officer may not perform any of
 8 the duties of a law enforcement officer involving control or direction
 9 of members of the public or exercising the power of arrest until the

 12 before July 6, 1972, or after June 30, 1993.

13 (c) Military leave or other authorized leave of absence from law
 14 enforcement duty during the first year of employment after July 6,
 15 1972, shall toll the running of the first year, which in such cases shall
 16 be calculated by the aggregate of the time before and after the leave, for
 17 the purposes of this chapter.

18 (d) Except as provided in subsections (e), ~~and~~ (l), **and (n)**, a law

 32 Before a law enforcement officer appointed after June 30, 1993,
 33 completes the basic training requirements, the law enforcement officer
 34 may exercise the police powers described in subsection (d) if the
 35 officer successfully completes the pre-basic course established in
 36 subsection (f). Successful completion of the pre-basic course authorizes
 37 a law enforcement officer to exercise the police powers described in
 38 subsection (d) for one (1) year after the date the law enforcement
 39 officer is appointed.

40 (f) The board shall adopt rules under IC 4-22-2 to establish a

periodic basis throughout the year at regional sites statewide. The
pre-basic course must consist of forty (40) hours of course work. The
board may prepare a pre-basic course on videotape that must be used
in conjunction with live instruction. The board shall provide the course
material, the instructors, and the facilities at the regional sites

the board may certify pre-basic courses that may be conducted by other
public or private training entities, including colleges and universities.

(g) The board shall adopt rules under IC 4-22-2 to establish a
mandatory inservice training program for police officers. After June 30,
1993, a law enforcement officer who has satisfactorily completed the
basic training and has been appointed to a law enforcement department
or agency on either a full-time or part-time basis is not eligible for
continued employment unless the officer satisfactorily completes a
minimum of sixteen (16) hours each year of inservice training in any
subject area included in the law enforcement academy's basic training
course or other job related subjects that are approved by the board as
determined by the law enforcement department's or agency's needs.
*Inservice training must include training in interacting with persons

training board.* In addition, a certified academy staff may develop and
make available inservice training programs on a regional or local basis.
The board may approve courses offered by other public or private
training entities, including colleges and universities, as necessary in
order to ensure the availability of an adequate number of inservice
training programs. The board may waive an officer's inservice training
requirements if the board determines that the officer's reason for
lacking the required amount of inservice training hours is due to any of
the following:

(1) An emergency situation.

(2) The unavailability of courses.

(h) The board shall also adopt rules establishing a town marshal
basic training program, subject to the following:

(1) The program must require fewer hours of instruction and class

C
o
p

(4) The limitation imposed by subdivision (3) does not apply to an officer who has successfully completed the mandated basic training program.

(5) The time limitations imposed by subsections (b) and (c) for completing the training are also applicable to the town marshal basic training program.

(i) The board shall adopt rules under IC 4-22-2 to establish a police chief executive training program. The program must include training in the following areas:

However, if space in the program is not available at a time that will allow the police chief to complete the program within six (6) months of the date the police chief initially takes office, the police chief must successfully complete the next available program that is offered to the police chief after the police chief initially takes office.

(k) A police chief who fails to comply with subsection (j) may not serve as the police chief until the police chief has completed the police chief executive training program. For the purposes of this subsection and subsection (j), "police chief" refers to:

10 in the private sector, that meet standards approved by the board for
11 training probation officers in handgun safety as required by
12 IC 11-13-1-3.5(3).
